

Quit Smoking

ADVICE & GUIDANCE

Quitting smoking is the most important action you can take to improve your health and the health of those around you. With support you are four times more likely to successfully quit smoking.

When you quit:

-  Sense of smell and taste improves.
-  Reduce your risk of long term diseases such as heart/lung disease and stroke.
-  Better blood circulation, making physical activity easier
-  Improved lung function, making breathing easier
